The Concept: Welcoming Cretan Nature
Mirabello II is a perfect family villa in Crete that offers panoramic views of magnificent sunrises and sunsets against backdrops of the Mediterranean Sea and the Cretan landscape. It can sleep 12 guests who wish to unwind in the rich natural setting, spend quality family time and admire the view. It is hidden in nature, totally safe and is inviting everyone to relax. It is only 3km away from the town of Elounda, 1km to the beach and 8km from the town of Agios Nikolaos.

Outdoors
The luxury Crete villa is perfect for both kids and adults. Kids can spend the day at the beach or the playground that Mirabello II and its sister villa share. The rest can relax on the loungers next to private infinity pool and enjoy the sea view. There are also various places to relax, either under the sun or under carefully designed shaded pergolas. If you need a fun evening, get the BBQ grilling, turn the music on and have a small party on the pool terrace. The villa is secluded so you will not disturb anyone around!

Interior Design
Mirabello II features six bedrooms with en-suite bathrooms that offer privacy and high-end comforts. A striking feature you will encounter in the bedrooms is the unique view they offer to the Gulf of Elounda. The large windows of the living areas and the kitchen invite the greenery and the beautiful sunlight in the luxury summer house. This is the right place to relax under the warm sun during the night or to feel the night breeze under the stars. The villa architect, Marina Birdimiri, designed the building in such a way that each area offers comfort and pleasure inspired by her childhood in Elounda.

Good to know
The luxury villa has a twin called Mirabello I, located only 180 meters away. In case you need to come with more than 12 guests, you can book and stay really close! They have total privacy due to their orientation and boast access to a state-of-the-art playground. Only a few minutes away from the town of Elounda and 8km from the town of Agios Nikolaos, you can find many beaches, traditional places, beautiful villages and luxury shops.
