***An Emfasis Donation Villa*:** When you rent this villa, 1% of its cost is donated to Emfasis- a non-profit organization working to help the homeless in Greece. Take a holiday. Make a difference.

We put a face in luxury and we called it Arlette. The luxury Mykonos villa can sleep 10 people that need to stretch their feet in privacy and enjoy the amazing view. Located in Agia Paraskevi, in the southwestern part of the island, is less than 10 minutes' drive from town and less than 5 minutes from the beach. The perfect combination since you avoid the buzz of the town, but you can reach it easily.

You will fall in love with the interior design! Minimalism blended with Mykonian architecture dresses the 4-level villa. Inside you meet the luxury bedrooms, the large living room, dining room, bathrooms, bar and fully equipped kitchen. It is so comfy that you will be in a dilemma whether to stay in or out!

Outside it gets even better! The mini bar next to the infinity pool guarantees beautiful relaxing sunsets with cocktails. You can also relax in the pergolas and dine there as well. The cook of the party can prepare delicious meals in the BBQ for the rest of the team. If that scenario fails, do not worry. Our concierge will be happy to arrange a meal or a cooking lesson of the Mediterranean cuisine with our best chef. For any whim, ring a bell. We are specializing in last minute decisions!
