A Signature Portfolio Villa

Built in 2018, luxury Mykonos villa Olivia offers the best family holidays in sheer luxury offering superb views. The Signature Portfolio villa is in Agios Lazaros, the most enviable location on the island, totally wind-protected and with breathtaking views of the surrounding peninsulas, Delos island and the sunset. It can sleep 12 adults who want to unwind in privacy, plus 3-6 children on sofa beds.

Outdoors

The outdoor setting was made for heavenly relaxation. Its uniqueness lies in the well-planned outdoor areas with various relaxing sitting and dining facilities of top quality. A garden with olive trees, Greek herbs, lavender, rosemary, basil and the pool terrace complete the picture. The kids will love running around the estate and the adults will make sure to take in the view from every corner.

Indoors

Olivia is divided into the main building that offers a master bedroom and two more bedrooms all en-suite, and 3 independent guest rooms with amazing views, thus offering freedom and independence among the guests of the group. Of course, the highlight is the master bedroom in the main building that spreads on two levels. Every room is equipped with A/C, Wi-Fi, safe box, hairdryer, and smart TV, and they all enjoy big outdoor areas with sofas and tables. The kitchen and living area are in the main building, where you can gather for meals and intimate moments.

Life's a Beach

The closest beach is Psarou that is famous for its cosmopolitan character and party mood, so if you are coming with friends it is just perfect, but in case you're visiting with children, there are many more beaches in Mykonos to try!
