Located in the lively Drafaki area, the villa is close to a variety of popular beaches – Psarou and Scorpios among them – yet offering total seclusion. The vivid Mykonos Town is just a short drive away, where everything is at hand's reach, and you can stroll around the picturesque capital of the island.

Outdoors

The ample outdoor area of Tulip is a paragon of elegance and sumptuousness that offers mesmerizing views of the Aegean Sea and the surroundings. The terrace hosts a private pool that invites you to chill out with your family and friends and create some lasting memories. By the pool, there is a pergola-protected lounge and dining area, where you can dine in style under the starry sky. And if you want some 'you' time there is also a private pool on a lower level, connecting with the independent suites, that you can unwind in privacy.

Indoors

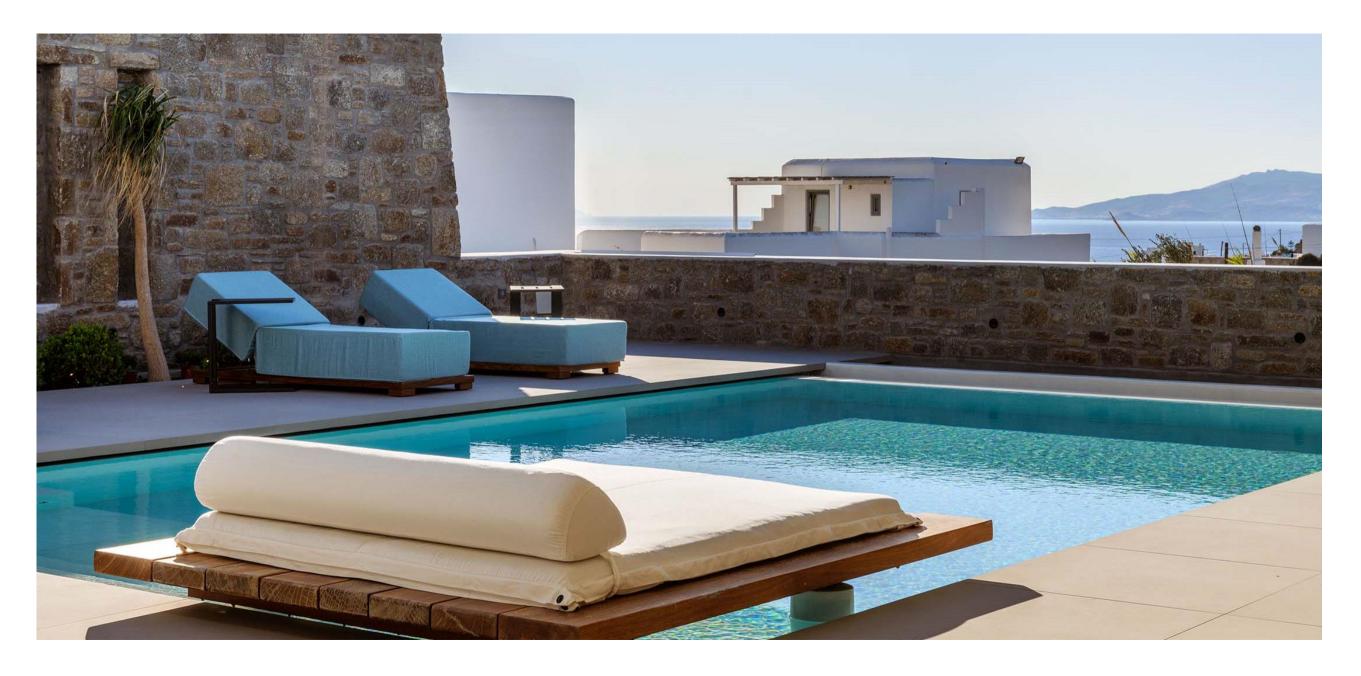

A bright and airy atmosphere flows around the indoors of Tulip creating a feeling of supreme relaxation and luxuriousness. Modern furnishing and contemporary décor adorn every room of the villa while the large glass doors bath them with natural light. On the pool level, there is an open-plan living room, a dining area, and a fully equipped kitchen with direct access to the terrace. The deluxe master suites are scattered on the upper and lower level, featuring high-comfort amenities such as private indoor pools, jacuzzis, or access to an outdoor pool.

Mykonos Lifestyle

To elevate your Mykonos vacation even more, take advantage of our award-winning concierge. She is available 24/7 and being a local she knows the island better than anyone else. Cruises, last-minute reservations, massage sessions by your pool, a private chef... Just name it and leave the rest to her!

Remember to

The property is gated with security cameras so that you can enjoy every moment of your vacation in privacy. Plus, Tulip is a pet-friendly villa so your four-legged friends can join you on your vacation. For more information, contact our reservation team.
