

**BlissConcierge package** is an enhanced concierge program to supplement our award-winning onsite complimentary concierge services. If you book the BlissConcierge package, the concierge will become a **Travel Personal Assistant** that will be an extension of your company; in other words, someone who is on site with your clients.

BlissConcierge is for the most demanding clients, that elevate their stay to VIP status. The package offers a 24/7 professional concierge support from the moment they arrive until they depart.
